LURCAT TESTIMONIALS

WEDDING DATE: 7/8/2017 SAMANTHA AND MATT

Café Lurcat has always been a special place for us to celebrate milestones within our family for many years. So when the time came to find the perfect venue to have our daughter's wedding (July 2017) we knew exactly where to begin looking. We have always had delicious food and outstanding service at Café Lurcat and the ambiance was exactly what our daughter was looking to create for her wedding. From the moment we met Michelle Jensen, General Manager, we knew we were at the right place! Michelle put us to ease right away with her knowledge, confidence and charming personality. Her ability to guide you through the planning process and help create a dream come true wedding experience was second to none. Once the big day arrived, Michelle and her team had everything taken care of down to the smallest detail. My husband and I, and the newly married couple were able to simply enjoy the extraordinary day from start to finish knowing that we were in good hands with Michelle and her amazing team. The venue was absolutely perfect from the wedding ceremony set up to the stunning reception area. The food and drinks were fantastic. The wait staff and bartenders truly added to the magic of the evening. To this day, we still hear from family and friends about the spectacular time they had at the wedding. I can truly say that planning a wedding with Café Lurcat was as stress-free as wedding planning could be. I would recommend to anyone the venue of Café Lurcat. Many thanks to Michelle and her team!

WEDDING DATE: 9/16/2017 SCOTT AND BERRETT

We could not be more pleased with our decision to have our wedding ceremony and reception at Cafe Lurcat. From the moment we began conversations through to the planning meetings, tasting, rehearsal, and day off help, the staff at Lurcat were welcoming, gracious, responsive, and completely on top of their game. Not a single detail was overlooked. Michelle leads a fantastic team of professionals who genuinely care that your day exceeds your expectations.

Lurcat was the perfect wedding venue for us. The space was large enough for our guests to enjoy themselves comfortably but small enough to keep the sense of intimacy we wanted. We toured many venues throughout Minneapolis, but Lurcat stood out above the rest. The furniture and decor are classic and high end and the food is nothing short of spectacular. With Lurcat being a successful restaurant every other night of the year, they know how to cook and serve for large numbers and it shows. Everything tasted as though it were made specifically for you and the service was that of a high end restaurant, something that did not go unnoticed by our guests.

From compliments on the food or the location all the way down to how well the event was run from start to finish, the feedback we have received from our friends and families has been overwhelmingly positive. We are so thrilled to have Lurcat as part of our family and look forward to coming back and celebrating for years to come.

Thank you again for making our wedding so special!

Scott & Berrett

WEDDING DATE: 5/27/2017 -WANG -DEHN

Thank you from the bottom of our hearts for making our wedding over Memorial Day Weekend at Café Lurcat perfect! Café Lurcat holds a very special place in our hearts and even more so now. You and your staff were absolutely wonderful to work with. We cannot tell you how much we appreciated all of your hard work, your advice, your recommendations and your attention to detail to make our day so memorable. You made it easy and fun for us from the beginning of our planning to the very end of the wedding night! It could not have gone more smoothly. We knew we didn't have to stress because we were in such great hands and you guys have this down! You took care of everything, and even more than we had expected.

We could not have picked a better venue or General Manager and staff to work with for our big day. Our whole experience from the venue, your staff, the customer service, and the food was truly impeccable. Everything was timed perfect. The food was delicious and well executed. You and your staff's customer service is best in class and hands down the best we have experienced! Your staff was attentive, friendly, and respectful and went above and beyond for our guests and us. Even when we closed out at the end of the night, they really took care of us from waters, to picking out the wines and packing everything up to loading our car. You exceeded our expectations (we have high expectations) in all aspects and we were very impressed. We received many positive compliments from our guests about you (Tom's a huge fan), their experience, your food and the amazing service from your staff! We will highly recommend Café Lurcat!

Greg and I could not stop talking all week about how happy we were with everything and how perfect it was for us!

We will be in to visit soon. And we will send some pics when we get them back from the photographer!

Thanks again!

REHEARSAL DINNER DATE: 10/9/2015 BOYLE FAMILY

Recently, my husband and I worked with Michelle Jensen to plan our son's Rehearsal dinner for October 9, 2015. Michelle made it fun, exciting and perfect. Her enthusiastic attention to our questions, and careful guidance made it a memorable celebration. From start to finish, everything was first class and professional.

Michelle's warmth was contagious. I don't ever remember hugging anyone like I hugged her. It was as if we were family and our event was as important to her as it was to us. She guided us and said the room would sparkle and sparkle it did. She invited us to a tasting to help with our selection of menu and wines. She offered us different spaces for the happy hour and was so flexible. She helped us plan the menu, toasts, and suggested how to move through the evening. The service was outstanding. Staff moved quietly and discreetly. The menu selections were well received—rave reviews. The happy hour service was great and Michelle had gluten-free appetizers for the bride. She displayed our little gluten free cake on a sideboard as it was a surprise. What special attention to detail.

She was unflappable. Two guests arrived that I had not expected. No problem. She quickly added table settings. I had no extra name cards, and she said tell me what they are wearing and I will escort them to the table. She didn't miss a beat.

Michelle is worth her weight in gold! You are fortunate to have such a dedicated employee in your service. My husband and I were thrilled to host our event at Café Lurcat. Hats off to the staff!

Sincerely,

Lorraine and Michael Boyle

"When I walked into the bar last Sunday, it literally took my breath away! You did such an incredible job setting up everything, including fixing things that we botched (like the short count on the menus, etc.) and you transformed the space into my dream wedding venue for both the ceremony and the reception. I must have said four dozen times that night how excited I was with how it all came together, and how blessed I felt that we got to be there for OUR wedding! Heck, I would have felt lucky even to be there as a guest -- haha! You and your whole staff did an amazing job not only setting things up, but making sure things ran smoothly all night, and I heard from multiple guests how impressed they were with the great food and wonderful service they received all night."

BIRTHDAY PARTY: 4/5/2018 JACQUELINE AND NICHOLAS

I wanted to thank you for a lovely and memorable birthday celebration at Bar Lurcat. The setting was perfect--we so appreciated having the far end of the bar space designated for our group, and the thoughtful touch of the candelabras on the tables. The food was delicious and beautifully presented, and the service was outstanding.

Many of our guests commented on the great food, service, and setting. Really, we couldn't have asked for a nicer experience. Thank you, and please pass on our thanks to everyone who helped make this a great experience.

Best,

Jacqueline Vlietstra

I can not tell you enough what an amazing wedding Meghan & Igor had because of YOU! You and your staff were so easy to work with and made the event run more smoothly than we could have imagined. From the early days of planning to the actual day you made us all feel calm and confident that the day would be perfect – and it was! The food was amazing! The staff - from the bartenders, to the wait staff, to the valet – were so professional & attentive! I have attached some photos in case you might want to use them. I would recommend Bar Lurcat to anyone!

WEDDING 9/8/2018 BUSH-THOMPSON

Café Lurcat has been one of my favorite restaurants in Minneapolis for many years and I feel incredibly lucky that I was able to get married there. I knew from the moment we met Michelle for a tour of the space that it was where I wanted to get married! Planning my wedding with Michelle was a breeze – I had full trust that she would help deliver the perfect day for me and my family and she did just that. Michelle is an expert at what she does and she was an incredible resource during the wedding planning and execution. The venue was perfect for my ceremony and reception, the food and drinks were incredible, and the staff were so professional and accommodating. We had multiple guests tell us that they had never been to a wedding with such impeccable service and delicious food. I highly recommend Café Lurcat for any private celebration!

Dear Lurcat,

Eddie and I will never be able to thank you enough for our beautiful wedding at Lurcat. From the lovely seating in the restaurant that made the ceremony so special to the drinks and appetizers served outside, the impeccable setting and delicious food and service, the delicious desserts that I wish I still had and the kindness of your staff, you made our wedding better than we could have ever imagined. We have the happiest memories to savor.

I can't imagine ever having an event again that doesn't have you involved! And by the way, I still want to stay friends!

All our love,

Cathy and Eddie

This is the 4th time we have used D'Amico to cater our family's milestones, 2 Bat Mitzvahs and 2 weddings. As you will see by my letter, we could have never dreamt of receiving such a fantastic experience. The entire staff involved with our wedding went way beyond our expectations and I wanted you to know how special they were. I can't remember the name of the waiter, John?, is an incredible employee who treated me with loving care and of course I can't say enough about Michelle, she is an exceptional person and a truly amazing employee.

Our most sincere regards,

Cathy and Eddie Bush

WEDDING 9/30/2018 BARR-IMHOFF

Lurcat was truly a dream location for our wedding. The planning process was simple, straight forward and enjoyable.

We chose to do both our ceremony and reception at Lurcat, and worked with Michelle to plan the details. Michelle is an expert at creating the experience you want, and we wanted to keep things simple but beautiful, which is exactly what she helped us do.

The ceremony was intimate and lovely, the perfect space for just over 100 people. The only thing we added were floral arrangements, and the space was perfect without anything else added. The food was incredible, our glasses were never empty, and the service was next level. They made a dinner for 110 feel like an intimate group. Michelle was on hand to take care of ALL coordination, from the processional, to timing of the happy hour, to passing the mic between toasts. She made sure we could completely enjoy our big day.

We've always loved Lurcat because it's an iconic restaurant with insane miso sea bass, and now it will always be the place we got married surrounded by family and friends. Couldn't be more special! Thank you!

LURCAT TESTIMONIALS

WEDDING DATE: 11/24/2018 MALINSKI-TANDON

Richard D'Amico, Paul Smith, and Mike Smith,

I am reaching out to thank you for having an amazing team at Cafe Lurcat.

Last Saturday, my now husband and I held our wedding reception at Cafe Lurcat. Michelle Jensen made our wedding day truly the best day.

Two months ago, I called Lurcat in pure panic, the venue we had previously chosen (Lumber Exchange) was now on round 5 of wedding coordinators and I was throwing money at a bad situation. Michelle quickly gave me two solutions, hold the wedding at Lurcat or use her as a wedding coordinator, I chose the first option and it was the right decision. Here are a few reasons why you have some of the best people on your team:

- I live in Portland, OR, Michelle planned the reception for me in two months while being a three hour plane ride away
- Larissa took care of us like we were her family during the tasting and night of reception
- I walked into Lurcat the night of our wedding and immediately had a waiter on me for the rest of the night; ensuring my glass of champagne was always full and I had a water.
- My family and friends are still discussing how amazing the food.
- Your chef greeted us a few nights before the wedding when we stopped by for our final walkthrough to ensure we were set.
- Your bartenders knew what every guest was drinking and ensured everyone was responsible.

The list goes on. Absolutely nothing went wrong, nothing. And if something did go wrong, I didn't know because Michelle and her team took care of it.

Ten months ago I selected Lumber Exchange, purely bc my sister held her reception at Lurcat a couple years ago and I thought I needed something different. I am so grateful that Lumber Exchange was awful to work bc we ended up with the best venue and best wedding.

I consider Michelle part of the family. She is one of kind.

Thank you for coaching and mentoring your team to be amazing people.

CORPORATE EVENT- BAR BUYOUT 12/20/2019 HORIZONTAL INTEGRATION 200 GUESTS

This is an overdue thank you from the people of Horizontal Integration to the team at Cafe & Bar Lurcat. We were fortunate to hold our December 2018 company holiday party at Bar Lurcat for ~200 employees and guests. My admin worked with the Lurcat staff to plan and execute the event based on my own recommendation, having personal experience as a regular diner at Lurcat.

The universal feedback was, “Best company party EVER,” thanks to the beautiful venue, wonderful food and drink and especially the amazing service from the Lurcat team.

It started with GM Michelle Jensen, who helped us design every aspect of the event -- anticipating our needs, calling out potential issues, advising us on options and asking questions we would never have thought of. Michelle is clearly a seasoned pro when it comes to event management and took proactive steps to ensure flawless execution. We are a digital consultancy accustomed to executing large, complex projects with many moving parts, so Michelle is a kindred spirit to us. In particular, we appreciated Michelle’s polite but firm “no” when we came up with ideas that she knew would be unsuccessful. That kind of direct, transparent communication and partnership, based on her experience and good judgment, was critical to the quality of the event.

We knew that Lurcat was hosting another event immediately prior to ours and that we would have a limited window to transition the space. We marshaled our own team to help out with that work but ended up not needing to do anything – the staff sprang into action and had everything turned around perfectly – including setting up staging and audio for two separate musical performances -- with time to spare. All we had to do was show up and enjoy.

We had worried a bit about the staff’s ability to handle our capacity crowd, but Lurcat provided an ample team of seasoned pros who ensured that food and drink were always readily available – no waits, no waste. The professionalism and grace of the service staff was unparalleled, and the food drew raves from our staff and guests.

Normally when writing a letter like this, we would find something to criticize or provide an idea for how something could be done better next time. None of us can come up with anything – it was literally flawless, and our entire staff told us so. We can’t thank Michelle and her team enough for their hard work to ensure a wonderful, memorable celebration.

REHEARSAL DINNER- PRIVATE DINING ROOM 12/14/2018 DUPPLER FAMILY

Good morning--

My name is Greg Duppler and I partnered with Larry and Richard in 1999 to bring D'Amico to Super target, so I've been familiar with your operations and teams for many years.

However, I felt the need (long overdue!!) to make a special callout to Michelle Jensen and her team at Cafe Lurcat!!

We had our Andy/our sons rehearsal dinner at Lurcat and I have to say it was one of the best evenings of our life!!!

From the first exploratory meeting with LaRissa (she is Awesome too!!) to the follow up visit and emails with Michelle, until the night of the event it was absolutely first class all the way!!

Michelle and her team are so professional and accommodating. She put our minds at ease so that from the day we booked until the event we had zero worries that the dinner would be great....and it turned out to be better than great--it was PERFECT!!!

I think the venue facing Loring park is as pretty a place as there is in the twin cities. However, serving apps and drinks in the beautiful bar area and then dinner for 54 people is certainly not an easy task! But Michelle and her team delivered incredible service-it felt like we were having dinner for 4! The timing and coordination of everyone getting served at the precise time was SO fun for all of our guests.

We've eaten at Lurcat many times before the rehearsal dinner (and twice since!) so we were certainly expecting things to be wonderful, but I just cannot tell you how FANTASTIC it was....all of our guests talked about what a memorable experience it was from the food to the service...it is truly a night we will remember forever and we will always be thankful to Michelle and her team for delivering a world class experience from start to finish. YOU GUYS ROCK!

Thanks a million!

Regards

Greg, Char, Andy and Ashley Duppler
